Scene 1: Robotropolis

SONIC: It's cool.

SALLY: Ready Sonic?

SONIC: Are lambs wooly? Does lightning fork? Get a grip guys, I'm outa here!

(Sonic approaches Swatbots)

SONIC: Yo, you bot breaths looking for me? I'm the only one here.

SWATBOT: Hedgehog alert, Sector 7, Quadrant 5

(SWATBOT fires)

SONIC: Woah! Whatever happened to hello?

(Swatbot continues firing)

SONIC: Bahh! Haha! Woah! Ahh! Jelly and jam time!

(SONIC runs off, swatbots chasing. Scene cuts back to Freedom Fighters)

SALLY: Good luck guys.

(Back to Sonic)

SONIC: Later

(Sonic returns to Sally)

SALLY: They're in. 4...3...2...

(Sonic gasps)

SONIC: Cool plan Sal!

SALLY: Ahh, thanks. Where are they?

SONIC: Sal, over there! I'll get 'em Sal! Meet me at the junk heap.

(SONIC chases captured Freedom Fighters. Door closes in front of him)

SONIC: Open up stupid door!

SWATBOT: Hedgehog alert, quadrant 7,

SONIC: Aww man! Sometimes I seriously hate this job.

(Scene cuts to BUNNIE and SALLY)

BUNNIE: See him Sally Girl?

SALLY: Not yet, Bunnie.

BUNNIE: Incoming Sugar-Hog!

(SONIC runs up)

SONIC: I was too late, Sal. They took them to Robuttnik's headquarters.

SALLY: The Roboticizer!

SONIC: Yeah! We got to get 'em out!

SALLY: Agreed, but how?

SONIC: I hate when you ask that.

BUNNIE: Sonic!

SONIC: What!

BUNNIE: Take a look.

SALLY: Sonic, what is it?

SONIC: They're already robotocized.

(SALLY gasps)

SALLY: Oh no!

SONIC: (yelling) One day Robuttnik, you're going down man, BIG TIME!

Scene 2: Knothole

SALLY: No Sonic, It was my fault.

SONIC: Come on Sal, I was too late.

SALLY: No, if I had spent more time on the plan, we wouldn't have lost them. I should've posted guards here, here, and here

DULCY: Aww you can't cover everything Sally, Robotnik's too cagy

SALLY: Uh! That's no excuse! The plan was no good. Period.

SONIC: Aw, come on Sal. Duce is right. Robuttnik's holding all the aces. We should've taken him down a long time ago. Before he took over.

SALLY: Sonic, we were five years old.

SONIC: So, we were a way cool five.

DULCY: Well do it now, you can use the time stones.

SONIC: Say what?

DULCY: The time stones, you know. They take you back in time.

SALLY: Dulcy, the time stones are just a myth.

DULCY: No way, they're on the floating island.

SALLY: Another myth

DULCY: Sally, I know that island's no myth. I bumped into it.

SONIC: Sal...

SALLY: Sonic, time travel violates all the laws of physics.

SONIC: So does Dulcy's flying but that doesn't stop her. Let's go for it.

(SALLY sighs)

Scene 3: The Floating Island

(Flying somewhere over Mobius)

SONIC: What do you think Dulce?

DULCY: We're real close now. I can feel it.

SALLY: You've said that 20 times today.

DULCY: (gasps) I saw it!

SALLY: You've said that 20 times too.

DULCY: So sue me, now it's 21. Going down!

(SONIC and SALLY scream as DULCY takes a nose-dive.)

SALLY: How can you see anything?

DULCY: 'Cause I got radar eyes.

(SONIC, SALLY, and DULCY "oof" as DULCY hits something and starts to fall)

SONIC: Now we're really going down.

(SONIC, SALLY, and DULCY scream and "oof" when they hit the ground)

SONIC: Oh yeah, nice landing Dulce.

DULCY: (strange noise) Thanks Ma.

SONIC: So what do ya think Sal?

SALLY: I think we're back on the ground. This is no floating island.

DULCY: Oh yeah?

(DULCY blows away all of the fog in one breath revealing what they're standing on to be a floating island.)

SALLY: Oh my gosh. It's...it's true.

SONIC: Woah, way cool! OK Dulce, now where are the ol' time stones?

DULCY: Like I know (yawns). Probably in the palace. I have enough trouble traveling forward. So I'll just hang right here. (Goes to sleep.)

SONIC and SALLY: Huh?

SONIC: Hey Sal, you get the feeling someone's watching us?

SALLY: You're just imagining things.

SONIC: What was that?

SALLY: What?

SONIC: That! Don't move, maybe they won't notice us. Then again, not. Grab on Sal! Outa here!

SALLY: Dulcy!

DULCY: Just five more minutes, Ma. Woah...ugh. I'm up, I'm up, I'm up.

SALLY: Sonic, faster. Sonic, look.

SONIC: Not to worry, Sal. I just had a brain storm.

SALLY: Sonic!

SALLY and SONIC: Woah!

SALLY: Why didn't I think of this?

SONIC: We'll be cool Sal, trust me.

(SONIC whistles, SALLY screams, they both scream)

DULCY: I'm coming Sonic. You guys all right?

SALLY: Fine Dulcy, thank you for saving our lives.

DULCY: It's lucky I heard Sonic's whistle.

SONIC: Yeah!

SALLY and SONIC: Oof!

DULCY: Hehehe.

SONIC: Woah.

(SALLY gasps)

SONIC: Woah!

(SALLY gasps)

SONIC: Huh? Check it out. I'm gonna fire my travel agent.

SALLY: It's not the cruise I had in mind either. Come on.

SONIC: Man, where's an elevator when you need one? Major headache.

(SONIC and SALLY give various grunts as they try to open a strange door.)

SONIC and SALLY: Woah (held out as they fall down a strange waterfall.)

(SONIC and SALLY scream and "oof" as they land)

SONIC: Where the heck are we?

SALLY: Good question.

SONIC: I try.

KEEPER OF THE TIME STONES (KEEPER): I am Keeper of the Time Stones. To use them, you must solve this riddle.

SONIC: A riddle?

KEEPER: I run, and run, but cannot flee.

SONIC: Uh, uh, uh, a dog disguised as an owl!

SALLY: Sonic!

KEEPER: I am often watched, yet never seen.

SONIC: That's cake, a seeing eye owl!

SALLY: Sonic!

KEEPER: When long I bring boredom, when short I bring fear. What am I?

SONIC: That's easy, Antoine.

SALLY: I run, and run but cannot flee. Watched yet never see.

SONIC: Who can understand this guy? He talks in riddles.

SALLY: The answer is time.

KEEPER: Correct. To reach your destination synchronize your thinking.

SONIC: Synchronize your what?

SALLY: Thinking! For some of us, just thinking will be a first. Remember Sonic, concentrate on the palace fountain and the year 3224, nothing else.

SONIC: No prob Sal. Palace fountain, 3224. Let's bust!

SONIC and SALLY: (chant) Palace fountain, 3224. Palace fountain, 3224.

SONIC: Palace fountain, 32 chili dog.

SALLY: Sonic!

Scene 4: Mobotropolis 3224

SALLY: Where are we?

SONIC: Looks like Robo-town. Oh man, here we go again!

(SALLY gasps)

SWATBOTS: Greetings citizens, have a nice day.

SONIC: Nice day? We got to check this out.

SALLY: Mobotropolis. Oh Sonic, isn't it beautiful?

SONIC: Yeah, it sure is. Yo, there's the palace!

SALLY: Oh, despite your bad concentration and synchronization, we arrived at the right time.

(SONIC sniffs the air)

SONIC: Home sweet home! Whoeee! Two doggies with the works pal!

PIG: You got it bud.

SALLY: Sonic!

SONIC: Sal, what?

YOUNG SONIC: Two doggies with the works, pal.

YOUNG SALLY: Sonic, that's your third one today!

YOUNG SONIC: Yeah, I'm really lucky.

YOUNG SALLY: That is disgusting.
YOUNG SONIC: Nuh-uh, cool.
YOUNG SALLY: disgusting.
YOUNG SONIC: (belches) Cool.
YOUNG SALLY: Double disgusting!
YOUNG SONIC: Ahh, triple cool.
YOUNG SALLY: E equals M C squared disgusting!
YOUNG SONIC: A zillion, gillion, gillion times cool.
SALLY: Ahh, some things never change

YOUNG SONIC: Sal!
CHUCK: Children, childre-OOF!
YOUNG SONIC: Uh oh.
CHUCK: Sonic, you know our rule about playing in the lab.
YOUNG SONIC: Yeah, guess I forgot Unc.
YOUNG SALLY: We're sorry Sir Charles.
CHUCK: Just play outside, OK. Rascles (laughs).
SONIC: Yo Unc. What's up?
SALLY: Hello, Sir Charles.
CHUCK: Huh?

Scene 6: The Royal Palace

KING: Of course you'll be there Julian. Everyone is anxious to meet the man responsible for winning the great war. You're a hero.
ROBOTNIK: Forgive me Your Majesty, I just can't...
KING: Nonsense. Tonight I will announce the closing of the war ministry and then your appointment as minister of science. You will attend Julian, that is a royal order. And your plans for dismantling the military are approved as presented. Get started at once.
ROBOTNIK: Of course, Sire. I am honored, Sire
KING: See you tonight.
ROBOTNIK: Snively, ready the palace attack force.

Scene 7: Uncle Chuck's Lab

SALLY: And, Julian has a spaceship that will destroy Robo, I mean, Mobotopolis.
CHUCK: This is horrifying.
SALLY: I'm afraid it gets worse, Sir Charles.
SONIC: Yeah, Robotnik changes everybody into robots with this mondo machine.
CHUCK: Robotnik?

SONIC: You know him as Julian

SALLY: Show him Nicole

NICOLE: Accessing, Sally

SONIC: Robotnik calls it...

CHUCK: The robotocizer, I know. I invented it.

SONIC: Woah Unc! You invented it?

CHUCK: It was supposed to help older people live longer, but it changed them, took away their will. So I destroyed it.

SALLY: Then, how did Robotnik...

(Screen says "Files transfered to war ministry")

SONIC: Files transfered to war ministry?

CHUCK: Julian stole them.

SONIC: It's cool, Unc. We've got a whole week to stop him. Uh oh.

YOUNG SONIC: Who are you?

CHUCK: Sonic, Princess Sally, these are my friends, uh...

SALLY: I'm Alicia.

YOUNG SALLY: That's my middle name.

SALLY: Oh really?

YOUNG SONIC: So, what's your name?

SONIC: My name? It's uh, Juice. Call me Juice.

CHUCK: (chuckling) He's a distant cousin.

YOUNG SONIC: Does that mean you live far away?

SONIC: Yeah, sort of.

YOUNG SONIC: Say, you're pretty cool looking.

SONIC: Yeah, so are you. Way cool.

SALLY: Oh brother.

YOUNG SONIC: But I'm faster.

SONIC: No way!

YOUNG SONIC: Yeah way!

YOUNG SALLY: (sighs) So immature.

SALLY: So true.

YOUNG SONIC: Race you to the chili dog stand.

SONIC: You're on!

SONIC and YOUNG SONIC: Eat my dust!

(SALLY and YOUNG SALLY scream as SONIC and YOUNG SONIC race away)

SALLY: Oh great.

YOUNG SALLY: Two of them.

(At the chili dog stand)

SONIC: Two chili dogs!

YOUNG SONIC: With the works pal!

(Both scarf down and belch.)

YOUNG SONIC: Race ya back!

SONIC: Go!

YOUNG SONIC: Whe...where are they going, Juice?

SONIC: I don't know, kid, but it's not good. Come on.

CHUCK, SALLY, and YOUNG SALLY: Huh?

YOUNG SONIC: Told you I was faster.

SONIC: Way fast for me, kid.

YOUNG SONIC: That's ok, you're just old.

SONIC: Old!

(CHUCK and SALLY laughs)

SONIC: Something's up. Hover units and tanks are all over the place. Looks like Robotnik's already making his move.

SALLY: But he couldn't. Sir Charles, what's today's date?

CHARLES: It's the 13th.

SALLY: The 13th! Oh no! The coup happens tonight!

Scene 8: Uncle Chuck's House

SONIC: Yo Unc, where is she?

YOUNG SONIC: Where's who?

CHUCK: She'll be here, she's very prompt.

YOUNG SONIC: Who is?

SONIC: But it could happen any time!

YOUNG SONIC: What could happen?

CHUCK: We can't leave the children.

(There's a knock at the door)

ROSIE: Good morning Sir Charles.

(Laughter as children run into house)

ROSIE: Oh mercy!

CHUCK: Come in please.

ROSIE: Oh dear, something wrong?

CHUCK: I can't explain now. But if anything unusual happens today, use the escape tunnel and take the children to knothole, understand?

Scene 9: Robotnik's Lair

ROBOTNIK: I want all engine tests completed within the hour.

SNIVELY: We're on schedule Uncle Julian, but the Peace-bots still need to be retro-fitted with laser weapons.

ROBOTNIK: Thank you, Snively

SNIVELY: By this time tomorrow Mobotropolis will be ours.

ROBOTNIK: Not ours, Snively, mine.

SNIVELY: But I...

ROBOTNIK: Switch to voice recognition mode. Block all outside users.

COMPUTER: Voice recognition made complete.

SNIVELY: Why are we voice activating Uncle Julian?

ROBOTNIK: We aren't. From now on, everything will answer only to my voice. Do you know what that means, Snively?

SNIVELY: No, Uncle Julian.

ROBOTNIK: It means you call me Sir.

SNIVELY: Yes Sir.

ROBOTNIK: From now on Snively, you do exactly as I say.

SNIVELY: Yes S-S-S-Sir

Scene 10: Uncle Chuck's House

YOUNG SONIC: Something's going on, and we've got to check it out.

YOUNG ANTOINE: But, we will get in ze big trouble.

YOUNG SONIC: Shh, I'm going anyway.

YOUNG SALLY: But Sonic, Uncle Chuck said to stay with Rosie.

YOUNG SONIC: Ahh, he always says that. Come on!

(YOUNG SONIC runs off)

YOUNG SALLY: Sonic, wait.

(Everyone else follows)

YOUNG ANTOINE: Please to be waiting for, me myself!

Scene 11: The Royal Palace

SONIC: Chill Sal, everything's going to be cool

SALLY: I know, I know. It's just that I haven't seen him in so long.

SONIC: This is what you've been wating for, Sal.

SALLY: Oh...

SONIC: Trust me, Sal. It'll be way cool.

(CHUCK enters)

CHUCK: He'll see us now.

SONIC: Ready?

(They enter throne room.)

Scene 12: Outside the Palace

YOUNG ANTOINE: Ahhh! Wait! I'm sticking to this brush! Ahhh!

YOUNG SONIC: Wow.

SWATBOT OFFICER: Flank the Palace. Secure all exit and entry points.

SWATBOT: Intruders, sector 4.

(Kids yell in surprise as swatbots surround them.)

SWATBOT: You are now prisoners of Dr. Robotnik.

Scene 13: Palace Throne Room

KING: Julian plotting against the throne? A serious allegation, Sir Charles. I assume you have proof.

SALLY: Your majesty, Daddy, it's me.

KING: Sir Charles?

CHARLES: This will be hard to believe, Your Majesty, but she's come from the future.

KING: The future? Sally?

SALLY: Yes, Daddy.

KING: The royal signet! What is our secret family credo?

SALLY: To rule with honor.

KING: Sally, it is you!

SALLY: Daddy it's true. Julian is going to take over! He's...

(Everyone gasps as the palace shakes. Swatbots invade.)

SWATBOT: Freeze prisoners.

(A huge "tank" busts through the wall.)

SWATBOT: Do not move.

(ROBOTNIK emerges from the tank.)

ROBOTNIK: Greetings Sire.

KING: Julian?

ROBOTNIK: Your Majesty, members of the royal court, welcome to Robotropolis, the capitol of my kingdom. (laughs.)
