(Scene: Robotropolis Junkyard)

**Bunnie:** \*cough cough\* Oh! Don't you just love all this fresh air!?

**Sonic:** Yeah, about as much as I love Robuttnik!

**Sally:** Arm canisters, Nicole.

**Nicole:** Arming, Sally. Canisters armed.

**Bunnie:** You're all loaded Sugar-hog.

**Sonic:** Cool. Synchronize the ol' watches. OK, meet you at the usual. If anybody's late, jam back to Knothole! Check?

**Bunnie and Sally:** Check.

**Bunnie:** Good luck, y'all!

**Sonic and Sally:** Let's do it to it!

(Scene change: SWATbot factory)

**Sonic:** Must've forgot the welcome mat, gotta find another way in! Juice time! Wuh!? Bad move hedgehog! Mondo-bad move! I'm out of here!

**SWATbot:** Alert, alert! Organic life form detected!

**SWATbot:** Don't bother, sub-station electricity interferes with heat sensor...ignore.

**Bunnie:** 19...18...17...

**Sonic:** 8...7...6...

**Sally:** 5...4...3...

**Bunnie:** 2...1...Bingo!

**Sonic:** Ciao!

**Sally:** Come on Sonic, get out of there.

**Sonic:** Yo, bot-butts! Looks like you could use a shower! Woah! Uh-oh, this dump is getting crowded. Wah! Warp time!

**Sally:** Nicole, prepare for-

**SWATbot:** Raise your hands, prisoner.

(Scene change: Knothole Village)

**Bunnie:** Hoo-ee, I feel like I've been dropped through a knothole, so to speak.

**Rotor:** Hey, did you guys nail a SWATbot factory?

**Bunnie:** Well honey, I don't know. I had to make a very unlady-like retreat. Thanks sugar. Woah! Oh my stars, I'm just falling apart!

**Rotor:** Where's Sonic and Sally?

**Bunnie:** Well the last time I saw they were-

**Sonic:** Cannonball! It was seismic! Talk about fireworks, right Bunnie? Where's Sal?

**Bunnie:** She wasn't at the meetin' place, so I came on back.

**Sonic:** I gotta go back!

**Bunnie:** Sonic, wait! You need a power ring.

(Scene change: Robotocizing chamber)

**Robotnik:** I know the hedgehog will come for you, dear girl. And when he does, I have a surprise.

**Snively:** Here it is, Dr. Robotnik. Enough memory to duplicate human complexity.

**Robotnik:** Excellent, Snively. Install it! I don't suppose you would tell me the location of Knothole?

**Sally:** Sure I will...when you get a life!

**Sally-bot:** When you get a life!

**Sally:** \*gasp\*...Sonic is too smart to be fooled by a robot. Even a good one!

**Robotnik:** Oh, but we're not finished, princess. We need to add in your sparking personality.

(Scene change: Knothole Village)

**Sonic:** That's it! I'm outta here!

**Rotor:** Wait, Sonic! You can't go without a ring!

**Sonic:** Sal's in mondo-trouble and I'm going! Ring or no ring!

**Tails:** Sonic! A ring's comin'!

**Sonic:** About time!

**Tails:** I got it! Woah!

**Sonic:** Gotta juice and cut it loose!

**Rotor:** Woah!

(Scene change: Robotocizing chamber)

**Sally:** Ouch!

**Robotnik:** Cheer up, princess. I've sent you a visitor.

**Sally-bot:** Hi. I'm Sally. Oh, don't get up. I am a princess but, out in the Great Forest, titles are meaningless.

**Sally:** \*gasp\*

(Scene change: Robotropolis alleys)

**Sonic:** Huh?

**Robotnik:** Activate all exterior hedgehog traps.

**Snively:** But I thought you wanted him to get in.

**Robotnik:** Yes...but, we can't make it too easy.

**Sonic:** Ahh!

**Robotnik:** Recall all SWATbots. Let the hedgehog in.

**Sonic:** Huh, must be my lucky day. Sal!

(Scene change: Detention area)

**Sonic** (imitating Robotnik): Attention, SWATbots. This is Dr. Robotnik, report to the war room immediately...

**Sonic:** Yo Sal! We're gonna blow this pop stand.

**Sonic** (imitating Robotnik): Open cell number 54!

**Computer:** Voice print approved. Hand print necessary for certification.

**Sonic** (imitating Robotnik): Open this cell or I'll rip out your electronic brain!

**Computer:** Certification unnecessary. You are Robotnik.

**Robotnik:** Ah, true love. Hurry home, little hedgehog...hurry home.

(Scene change: Robotropolis)

**Sonic:** Hang tight, Sal. Clear juicin' ahead. You ok?

**Sally-bot:** Fine. Coming back to rescue me was very brave, Sonic.

**Sonic:** Hey, no biggie. It's in a hero's job description.

**Sally-bot:** \*kiss\*

**Sonic:** Hang on Sal, time to light it up!

(Scene change: Robotnik's control room)

**Robotnik:** Yes, hedgehog! The faster, the better!

**Snively:** Ready to roboticize, sir.

**Robotnik:** Activate! Tomorrow, Knothole will be a wasteland, and all the Freedom Fighters will be loyal servants... What is this? Snively?!

**Snively:** The system's overloaded, sir. I better turn off the-\*cough\* The video is gone sir!

**Sonic:** Here we are Sal, home sweet Knothole!

**Robotnik:** The communication system works. We cans till monitor his every move.

(Scene change: Knothole)

**Knothole villagers:** Alright, Sonic! Good job!

**Tails:** I missed ya, Sally!

**Sally-bot:** Hi Tails! \*kiss\* I missed you, too.

**Tails:** How come you didn't do the funny kiss?

**Sally-bot:** Oh, the funny kiss, of course. \*kiss\*

**Tails:** Nah, not that one! The funny kiss! On my nose.

**Sally-bot:** Oh! That funny kiss! Uh... \*kiss\*

**Tails:** \*giggles\*

(Scene change: Tails' bedroom)

**Sally-bot:** Tails? It's story time.

**Tails:** Cool! You read stories really neat-o, Sally!

**Sally-bot:** Once upon a time there was a giant and he was a-

**Tails:** Nuh-uh! Remember last night? We started that one! Y'know, about the princess and the meanie witch. Here's where we left off.

**Sally-bot:** Oh, yeah now I remember. Okay, the evil witch said, "So my pretty you can't escape--"

**Tails:** No, no! That's not the witch! "So, my pretty! You can't escape!"

**Sally-bot:** Um, ahem, it- its kind of late, Tails. It's time to go to sleep. Good night.

(Scene change: Knothole village)

**Bunnie:** So then, my dog-garn just fell off! I was so humiliated I just about popped a bolt!

**Sonic:** Bad news, I just heard the SWATbot factory is still online! Sal, what happened?

**Sally-bot:** Uh, the bots caught me before I could detonate!

**Sonic:** Then we gotta go back. We meet in the morning and plan it out. This time, we light the sucker!

**Robotnik** (from control room): Perrrrfect. Heeheehehahaha!

(Scene change: Tails' bedroom)

**Tails:** \*gasp\* That's not Sally...

(Scene change: Sally's bedroom)

**Bunnie:** Sally! Wake up, sugar!

**Sally-bot:** Bunnie? What's wrong?

**Bunnie:** What in heck happened?

**Sally-bot:** I don't know! This is terrible!

(Scene change: The Great Forest)

**Tails:** Sonic! Wait for me!

**Sonic:** Yo, big guy! What's up?

**Tails:** Sonic, I gotta tell ya something...It's a secret.

**Sonic:** Later, Sal. Man-talk. Okay bud, make it quick. We got a SWATbot factory to bake.

**Tails:** That's not Sally!

**Sonic:** What!?

**Tails:** She didn't give me the funny kiss, didn't know what story to read, didn't even do the scary witch voice!

**Sonic:** Tails, Sal had a seriously hard time yesterday. She's stressin'.

**Tails:** Nuh-uh! I saw lights shining from her eyes, then she went outside and talked to herself and her eyes turned all red and yucky.

**Sonic:** Hey little bud, you must have had one monster dream. We'll talk about it later, okay? I gotta juice.

(Scene change: Robotropolis)

**Sonic:** They're coming back! Get ready.

**Rotor:** Incoming!

**Sonic:** Way to go, guys! Alright, Sal! Woah! Yo, Sal! What you put in the ol' cereal this mornin'?

**Rotor:** Well that's our third close one tonight. Come on, we gotta move it.

**Rotor and Sonic:** Woah!

**Rotor:** Sonic, this is too weird, it's like the SWATbots know our every move before we make it.

**Sonic:** Yeah...the ol' buttbots seem sharper than normal. Okay guys, we're ready. Let's do it to it.

**Sally-bot:** Uh, right.

**Sonic:** C'mon Sal, you forgot the last part.

**Sally-bot:** Oh, yeah...

**Sonic:** Tails was right! You're not Sally! Who are you? Hey! Woah! Mega-muck!

**Sally-bot:** Say goodnight, hedgehog!

**Bunnie:** Hee-yah! There you go, Sugarhog!

**Sonic:** I owe you one, Bunnie. Gotta juice!

**Rotor:** Boy, Robotnik is good! She fooled everybody.

**Sonic:** Except Tails.

**Bunnie:** But if that's not Sally, where the heck is she?

**Sonic:** I don't know, but I bet this robot can tell us.

(Scene change: Robotocizing chamber)

**Snively:** It's ready, sir.

**Robotnik:** Well, princess, since the hedgehog destroyed my robot, I'll make a new improved model!

(Scene change: Robotropolis)

**Sally-bot:** -and the bot factory is guarded by twenty security bots and hover units.

**Sonic:** What about the princess?

**Sally-bot:** She is now being robotocized.

**Sonic:** What?! I'm juicin'!

**Rotor:** Sonic, wait a sec! Surprise for iron-lips.

**Sonic:** Cool! You guys do the factory, I'll get Sal. Catch ya later!

(Scene change: Roboticization chamber)

**Robotnik:** Grrr. Now what?!

**Sonic:** Torch it!

(Scene change: SWATbot factory)

**Bunnie:** Let's do it, Sugar!

(Scene change: Robotocization chamber)

**Snively:** Ready, Dr. Robotnik.

**Robotnik:** Activate...bye bye, princess...No! Infiltration detected! All units attack!

**Sally:** Oh!

**Sonic:** How you doin', Sal?

**Sally:** Fine, thanks to you!

**Sonic:** Let's cruise; I don't like the company here.

**Sonic and Sally:** Past cool!

**Robotnik:** No! This can't be!

**Sonic:** You were close, Robuttnik, but close only counts in horseshoes!

**Sally:** Have a dreadful day!

**Snively:** The princess has been robotocized, sir. But there seems to be some glitches.

**Robotnik:** You fool! Get that out of- No!

(Scene change: Knothole Village)

**Sonic:** Thanks for saving my life tonight, Bunnie.

**Bunnie:** Sometimes a metal body comes in handy, but I still have something a robot will never have: a mind and a heart of my own.

**Sally:** Hi, Tails. It's really me, honest. Come here, you. \*kiss\*

**Tails:** Sally! It's really you!

**Sally (witch voice):** That it is, my pretty!

**Sonic:** Hold it Tails! I'm not sure that's the real Sal!

**Sally:** Oh, really? Then I guess I'll have to prove it. \*kiss\* Well?

**Sonic:** She's a fake! C'mon Tails, we gotta juice!

**Sally:** I'll show you fake, Sonic Hedgehog!
