*(Opening scene: Water Wheel, somewhere in the Great Forest)*

**BUNNIE:** Here y'all go, Rotor.

**BUNNIE:** \*puts down a toolbox\*

**ROTOR:** Thanks, Bunnie.

**BUNNIE:** Welcome, Ah'm sure.

**BUNNIE:** \*notices her frizzy ears & screams\*

**BUNNIE:** Ah'm a walkin' disaster! Y'all wanna hurry up here, Rotor? All this dampness is frizzin' my ears.

**SALLY:** \*walks into scene carrying a BIG wrench\*

**SALLY:** This is the biggest wrench I could find, Rotor.

**ROTOR:** You know, if we use a bigger gear -here- we could double the power output.

**SALLY:** I bet you're right.

**SALLY:** \*gets Nicole\* Nicole, search data bank for entry "water wheel".

**NICOLE:** One entry qualifies, Sally. \*shows a rose\*

**SALLY:** Wha? Nicole, a water wheel.

**NICOLE:** One entry qualifies. \*shows a chili dog\*

**SALLY:** Oh, no; I was afraid of this.

**SONIC:** \*speeds into scene\* Somebody's got that old chili dog feelin' again!

**SALLY:** No, Sonic. Nicole is malfunctioning.

**SONIC:** A chili dog is NO malfunction, Sal.

**SALLY:** Nicole, run diagnostic level 4B.

**NICOLE:** Running...submicroprocessor chip 16 has a fatal error.

**SONIC:** Is that bad?

**SALLY:** \*exasperated growl\*

*(Scene change: Robotropolis street)*

**SONIC:** It's cool. \*jumps out of a manhole w/Sally\*

**SALLY:** Ready?

**SONIC:** Ready and steady.

**SALLY & SONIC:** Let's do it to it!

**SONIC:** Yo, heavy metal heads! Wanna play tag? Yer it!

**SALLY:** Now or never, Sally-girl...

*(inside the factory)*

**SALLY:** \*grabs a chip\* Yes!

**SALLY:** \*is confronted by a Worker 'Bot & gasps\*

**SALLY:** Oh, hi! I was just leaving...

*(\*robot sounds an alarm\*)*

**SALLY:** I hate when they do that!

*(Outside the factory)*

**SONIC:** Come on, Sal; where ya at?

(\*bots come\*)

SONIC: Don't they ever get tired? Whoa! Huh?

(scene change: Sally is leaving the factory)

SALLY: Forbidden Zone? \*gasps as a SWATbot approaches\*

(Scene change: Robotnik's Command Center)

\*Sally is seen on one of Dr. R's monitors\*

ROBOTNIK: Send more Hover units, Snivley.

SNIVLEY: Yes Sir, Doctor Robotnik.

ROBOTNIK: I want the Princess.

(\*a cloaked figure vaporizes the SWATbot\*)

ROBOTNIK: Who was that?

SNIVLEY: I really don't know, Sir. I'll find out.

(Scene change: back to the streets of Robotropolis)

SONIC: You okay, Sal?

SALLY: Yes. Let's get out of here.

(Sometime later in Knothole)

BUNNIE: What in Heaven's name do you suppose that cloaked thing was?

SALLY: It was the Guardian.

ROTOR: Who's the Guardian?

SALLY: More like "what". According to legend, he watches over the resting place of Lazar.

SONIC: What's Lazar?

SALLY: Not what; who.

SONIC: Who is what?

(Back at Robotnik's Command Center)

SNIVLEY: The evil wizard, Lazar, has rested for centuries within the Forbidden Zone. Although many have attempted to recover his computer of magic spells, none have succeeded.

ROBOTNIK: Hmmm. Go on.

SNIVLEY: According to legend, Lazar awaits someone vile enough to awaken him.

ROBOTNIK: Vile?

SNIVLEY: That would be you, Sir.

(Scene change: near a body of water in the Great Forest (Power Ring Lake?))

SALLY: Forget it, Sonic; it's too risky!

SONIC: C'mon, Sal! Lazar's magic spells can really kick some Robuttnik tail!

SALLY: But you might wake Lazar!

SONIC: Moi? Faster than lightning, quieter than a mouse...I'm there and back before you know I'm even gone!

SALLY: Will you be serious for a minute?

SONIC: Thirty seconds is my limit...

**SALLY:** One day you'll learn that speed is no substitute for common sense.

**SONIC:** Time's up! Snooze, ya loose; gotta cruise!

**SALLY:** Be careful, Sonic!

**SONIC:** It's magic time!

**SALLY:** \*exasperated sigh\* Boys...

*(Scene change: the edge of the Forbidden Zone)*

**SNIVLEY:** I've found him, Doctor Robotnik.

**ROBOTNIK:** Then where is he?

**SNIVLEY:** Well, he was right...

**GUARDIAN:** (interrupting) Why have you summoned me?

**ROBOTNIK:** A little business proposition, my dear Guardian; one you might find rewarding.

**GUARDIAN:** I have no use for riches. \*turns to walk away\*

**ROBOTNIK:** Well, another kind of deal then. I...I want the location of Lazar's lair. Name your price.

**GUARDIAN:** You intend harm to my master?

**ROBOTNIK:** Oh, you wound me, dear Guardian. I merely want to wake the grand wizard and honor his evilness. We have much in common.

**GUARDIAN:** Yes. I can see that.

**GUARDIAN:** \*projects a holographic map\* You must enter the Forbidden Zone. Go alone; for only your metallic heart is evil enough to withstand the dangers. You have been warned.

*(Scene: outside Lazar's lair)*

**ROBOTNIK:** Proceed.

\*SWATbot is crushed\*

**ROBOTNIK:** Hmm.

*(Scene change: Sonic reaches Lazar's Lair)*

**SONIC:** That is one ugly condo!

**SONIC:** Juice and jam time!

(later)

**SONIC:** Whoa!

**SONIC:** Whoa! Here's another nice mess! Which way? What's a hedgehog to do...

**SONIC:** Do I wanna get diced, charred, or crushed? Hmm....this is a tough one.

(\*Guardian attacks\*)

**SONIC:** Huh? Hey, watch it!

**SONIC:** Man! This guy has an attitude! Triple-S time!

*(Scene change: Lazar's Inner Sanctum)*

**ROBOTNIK:** Since you won't be needing this anymore...

**ROBOTNIK:** \*grabs the spell computer\* Sleep well, old boy.

*(Scene change: back to Sonic inside Lazar's Lair)*

SONIC: Woah! Piece of cake...

SONIC: (sarcastic) Nice bridge.

*(Scene change: back at the Water Wheel)*

ROTOR: Cool. Now tighten that screw, Bunnie.

BUNNIE: Sally, screwdriver please.

BUNNIE: \*notices that Sally had passed a hammer\* My, my, I do declare  
Sally-girl; your mind is anywhere but!

SALLY: Sorry. I'm worried about Sonic. If he wakes Lazar...

BUNNIE: Now don't worry yourself none. That little sugar-hog is too quick for  
some sleepy old wizard.

SALLY: I hope you're right, Bunnie.

*(Back in Lazar's Lair)*

SONIC: Nothin's easy anymore.

SONIC: Barbequed hedgehog is not my idea of fun.

SONIC: Cruisin' and bruisin' time!

*(Scene change: Robotnik's HQ)*

ROBOTNIK: Activate it, Snivley.

SNIVLEY: Yes, Sir.

SPELLBOOK: Enter command or "I" for spell index.

ROBOTNIK: The index, Snivley; quickly.

SPELLBOOK: Amulets, banishments, bones, cages, curses...

ROBOTNIK: What a lovely variety.

*(Back in Lazar's Inner Sanctum)*

SONIC: Huh?

LAZAR: Another thief it is! My computer he comes to steal.

SONIC: Who, me? No, no, no, no; I just took a wrong turn, so I'll be crusin'.

LAZAR: Fast not so, little thief!

SONIC: Hey! Let me outta here!

*(back @ Robotnik's HQ)*

SPELLBOOK: ...ravens, rings, submission, slavery, teleports...

ROBOTNIK: Oh, that's it. Teleports. Exactly what I need.

SPELLBOOK: Name target.

ROBOTNIK: Sonic the Hedgehog.

SPELLBOOK: Target out of range. Name target.

ROBOTNIK: Princess Sally.

SPELLBOOK: Confirm target.

ROBOTNIK: Affirmative.

SALLY: What happened? Where...?

ROBOTNIK: Take her!

SALLY: Robotnik...

ROBOTNIK: Stop her!

SALLY: Get out of my face, Cluck!

ROBOTNIK: So nice of you to drop by, Princess.

SALLY: How did you do this, Robotnik?

ROBOTNIK: Oh, let's just say it's...it's magic.

SALLY: You found Lazar's computer, didn't you.

ROBOTNIK: I cannot tell a lie, Princess. I did.

ROBOTNIK: (ordering a SWATbot) Secure her.

ROBOTNIK: A princess needs her lady-in-waiting wouldn't you say, Snivley?

SNIVLEY: Oh, yes, Sir. Absolutely.

SPELLBOOK: Name target.

ROBOTNIK: Bunnie Rabbot.

BUNNIE: What the heck happened?

SALLY: Bunnie, run! RUN!

BUNNIE: \*smacks down the SWATbot & tries to free Sally\*

SALLY: Bunnie, just go. Go!

BUNNIE: You all should learn how to treat a lady!

ROBOTNIK: Stun her!

SALLY: You are a miserable creep, Robotnik!

ROBOTNIK: Why thank you, Princess.

(Scene change: back @ Lazar's Lair)

LAZAR: Using the magic he is.

SONIC: Who's using the magic?

LAZAR: I know not his name, but evil he is. Pure evil!

SONIC: Then it's Robotnik!

LAZAR: Evil I was once...but dreamed for centuries I did. Regret the evil, I do.

SONIC: Cool. So let me outta here.

LAZAR: Release you? Why?

SONIC: So I can stop Robotnik. Like you said, he's totally evil. No telling what he'll do with your magic.

LAZAR: Promise first, you must.

SONIC: Sure, anything. What?

LAZAR: Find my computer. Return it you shall.

SONIC: I promise. Now let me out.

\*Lazar presses a button on his belt\*

SONIC: Yeah! Thanks. It's juice and jam time!

\*Lazar presses another button\*

SONIC: Man. Whadya do to me?

LAZAR: Took your speed, little thief.

SONIC: That's uncool! Why'd ya do that?

LAZAR: Evil I was; ignorant I wasn't. \*chuckles\* Return it when your promise you keep.

SONIC: No prob. But how do I get your computer without my speed?

LAZAR: Brains you have; brains you must use.

SONIC: Why does everything have to be so difficult?

*(Back @ Robotnik's HQ)*

**ROBOTNIK:** Hmm. The submission spell sounds...so interesting, Snivley.

**SNIVLEY:** Yes, Sir.

**BUNNIE:** \*groans\* (monotone) I await your orders, Sir.

**SALLY:** (softly) Oh, Bunnie...

**ROBOTNIK:** Bring the Princess.

**SALLY:** Bunnie. Listen to me. You have to fight the magic. Fight the magic!

**ROBOTNIK:** Enough!

**SALLY:** (monotone) How can I help you Doctor Robotnik?

*(Scene shift: Sonic is somewhere in Robotropolis)*

**SONIC:** Way to use the ol' brain. Whu-oh! \*is teleported\*

**SONIC:** Sal? Bunnie? What are you guys doin' here?

**ROBOTNIK:** Ladies, if you please...

**ROBOTNIK:** Well, hedgehog...

**SONIC:** Hey! What's going on?

**ROBOTNIK:** ...I have you at last.

**SONIC:** What did you do to them, Robotnik?

**ROBOTNIK:** I made them...obedient. Perhaps I should Roboticize them.

Starting with you. Princess!

**SONIC:** Sal, hold up. Don't do this! Sal, it's me your best friend, your best bud, (sexy voice) your main squeeze.

**SALLY:** Shut your mouth, hedgehog!

**ROBOTICIZER:** Activating...dialing...

**SONIC:** Sorry, Bunnie.

**ROBOTNIK:** Get him!

**ROBOTNIK:** \*moves the SWATbot's rifle\* You'll hit the crystal!

**SONIC:** This isn't good.

**ROBOTNIK:** Security, intruder alert, main lab!

**LAZAR:** (through spell computer) Up to you, little thief.

**SONIC:** Sorry, Sal. (to Cluck) Take a hike, bird brain!

**SONIC:** I'll take that.

**SONIC:** Now, girls...

**SALLY:** Sonic? What is going on?

**BUNNIE:** What in the high heavens are you doin' here?

**SONIC:** Tell ya later. \*whispers\* Past cool, Lazar.

**BUNNIE:** Um, can Ah make a little ol' suggestion?

**SONIC:** We're all ears, Bunnie.

**BUNNIE:** Let's get the hip-hop outta here. \*trashes a SWATbot\*

**ROBOTNIK:** I despise that miserable hedgehog, Cluck. Despise him with all my metallic heart.

*(Scene change: outside Lazar's lair)*

**LAZAR:** Well you did, little thief.

**SONIC:** Stay with us, Lazar. Join the Freedom Fighters.

**LAZAR:** Here for Mobius it is bad. Guard it I must.

**SALLY:** Can't you destroy it?

**BUNNIE:** The girl has a point. If it's all so evil, why not just be rid of it?

**LAZAR:** Release all the evil that would. A catastrophe it would be. Sonic, your speed I return. *\*presses a button on his belt\** Luck to you, Sonic.

**SONIC:** And to you Lazar.

*\*Lazar & his lair disappear\**

**SONIC:** We better juice.

**BUNNIE:** Music to my ears.

*(Back @ the Water Wheel, some time later)*

**ROTOR:** Man, I'm glad you guys are back.

**SALLY:** So are we.

**ROTOR:** What happened?

**SONIC:** It's a long story, bud.

**BUNNIE:** *\*yawns\** And it will keep 'til morning.

**ROTOR:** Well, this won't. Check out the water wheel. *\*flips a switch\**

**SONIC:** That's what you guys been working on??

**SALLY:** Yes. Isn't it fantastic?

**SONIC:** *\*groans\**
