

# THE DOOMSDAY PROJECT

Written by Ben Hurst

Transcribed by John Roberts

## SCENE 01 (01:11)

ROBOTNIK

An object of beauty. Don't you agree, Snively?

SNIVELY

Very lovely, sir

ROBOTNIK

Within 24 hours I will control every inch of this planet.

Every. Inch.

The dream begins.

ROBOTNIK

Now that is beautiful music, Snively.

SNIVELY

Beautiful, sir.

## SCENE 02 (02:07)

SONIC

How much longer, Rote?

ROTOR

Nearly done, Sonic. Ready!

SONIC

What's the target?

ROTOR

That pile of scrap metal.

SONIC

I'll give it the ol' fast ball.

ROTOR

Whoa!

SONIC

Man! Way cool, Rote! How many of those balloons can you make?

ROTOR

About twenty-five.

SONIC

Rote, I guarantee they're gonna do some serious damage to Ro-butt-nik's Doomsday machine.

Ooh, I'm gonna check the lookouts. Later Rote!

SCENE 03 (02:50)

ANTOINE

(Snoring) Ah, Princess Sally I love you.

ANTOINE (02:47)

(Snoring) \*\*UNKNOWN\*\*

SONIC

Oh man, if brains had hair he'd be a cue ball. Yo, Ant!

ANTOINE

(Squeals and falls out the tree.)

SONIC

Ant!

ANTOINE

Oh, my goodies. Are you the Angels?

SONIC

Oh, man.

ANTOINE

I am leaving?

SONIC

Unfortunately.

ANTOINE

Ah! Oui, oui! Ha, ohh! I am not squished like rug. Thank goodness to me.

SONIC

Whoa! What's up with this!

ANTOINE

What is this terrible thing?

SONIC

A Doomsday Pod! Ro-butt-nik suckered us.

SONIC

Sound the alarm, Ant.

ANTOINE

Oui! Oui!

ROTOR

Sonic! What's...?

SONIC

Doomsday Pods in the meadow! Wasting the whole place!

ROTOR

But the report said next week.

SONIC

Rote! I need a metal-eating balloon mondo-pronto.

SONIC

Oh man! Rote! Let's get...

ROTOR

But Sonic... Oh no. My work shop!

SONIC

Gimme one of those balloons.

SONIC

adios\* pod breath.

\*adios is Spanish for 'farewell'.

SONIC  
Yes!

SCENE 04 (04:37)

SALLY  
The other freedom fighter groups have been on alert for weeks. It won't take long for them get here.

SONIC  
It won't take long for those pods to wipe everything out, either.

SONIC  
Any idea how many pods Ro-butt-nik can launch, Sal?

SALLY  
Nicole, show us the Doomsday machine.

NICOLE  
Accessing, Sally.

SALLY  
Internal schematic.  
Pod launch area, please Nicole.  
Capabilities, please Nicole.

SALLY  
I checked the schematics we took from Robotnik and the best I can calculate... The Doomsday machine can release hundreds of pods.

SONIC  
Hundreds?!

SALLY  
Every hour. The tunnels reach all over the planet.

SONIC  
Aww man! So there's already hundreds out there?

SALLY  
At least.

SONIC  
We've gotta move. Fast!

SCENE 05 (05:24)

SALLY  
If most of our forces strike here...  
Oh, they're here! Sonic? This is Pallo and Dirk, leaders of the southern and eastern freedom fighters.

SONIC  
What's up, guys?

DULCY  
Sally! We got the photos. It looks pretty bad.

SALLY  
Thanks, Dulcy.

SONIC  
Definitely not cool.

ARI  
A straight assault won't work, Princess. We'd never get past the security.

SALLY  
Hmm. You're right, Ari.  
Let's switch to plan B.

SCENE 06 (05:53)

ARI  
Are we close, Dulcy?

DULCY  
We should be.  
There it is! Going down!

SALLY  
Fifteen seconds...  
fourteen...  
thirteen...

twelve seconds...

LUPE

We're on schedule, Ari. Ten seconds.

Nine...

Eight...

SONIC

Let's do it to it.

ROBOTNIK

(Laughs) I see our guests have arrived. How very appropriate. A dummy diversion. We'll let them get in. We can't make it look too easy, Snively. Alert the ground forces!

SALLY

That's the spot, Sonic.

SONIC

Okay. Get ready to jam!

SCENE 07 (07:17)

SNIVELY

Sir. Sir! They're inside the machine. Shall I alert the forces?

ROBOTNIK

Oh, no no no, Snively. Let them explore.

Perhaps they'll find my... little surprise.

SNIVELY

Your stupidity will ruin everything, you ugly boil.

ROBOTNIK

What... was that, Snively?

SNIVELY

I said the Domsday machine's going to need more oil, sir.

ROBOT

Freeze, intruders. Hands behind your heads.

SALLY

Anything?

SONIC  
Couple tech-bots. No prob.  
Long as Ant doesn't trip over anything.

BUNNIE  
Like his feet.

ANTOINE  
What is being wrong with my feet?

BUNNIE  
Put a sock in it, Antoine! Shhh

SONIC  
Wait. I'll check it out.

BUNNIE  
Watch it, Ant!

SONIC  
No prob! Let's...  
What's with the balls?  
Whoa.  
Ow!  
Man! Now your ticking me off.

SALLY  
Sonic! They're sensing your motion!

SONIC  
Ow! You already got me there.  
Motion, huh? I'll give 'em some motion. Juice time!

SALLY  
Sonic! Are you alright?

SONIC  
Man, now I know how a bug zapper feels.

SCENE 07 (09:20)

ROBOT

Freeze, intruders. You are surrounded.

SONIC

We gotta stop this.

SALLY

Switch to com mode, Nicole.

NICOLE

Com mode active. Scrambled channel open.

SALLY

Squad two report.  
Squad three report.

NICOLE

No response, Sally.

BUNNIE

That sure doesn't sound good.

ANTOINE

Perhaps they have been captivated?

SALLY

I think you're right, Antoine. We're on our own.

SONIC

Wrong, Sal. I'm on my own.

SALLY

Sonic, you're not -

SONIC

Come on, Sal. The plan's blown. You gotta get out of here.

SALLY

Uh huh.  
And what will you do?

SONIC

What I do best. Wing it! You guys ride a pod out.

SNIVEY

Sir, shall I seal the launch tunnel door?

ROBOTNIK

No, Snively. Let them go.  
I only want the hedgehog.

SNIVELY

Bu-bu-but, sir, I don't understand. The hedgehog -

ROBOTNIK

What! Are you implying the hedgehog is a match for me, Snively?!

SNIVELY

Oh, perish the thought, sir.

ROBOTNIK

There are many things you know nothing about, you little twit!  
Now open the skylight, Snively.

SNIVELY

Yes, sir!

COMPUTER

Five...

ROBOTNIK

I really hate that hedgehog.

COMPUTER

Four...

Three...

Two...

One...

Zero...

SNIVELY

I have a bad feeling about this.

SCENE 08 (10:59)

SALLY  
Sonic, I want to help.

SALLY  
This is power time, Sal. You'll slow me down.

BUNNIE  
He's right, Sally-girl. C'mon.

SALLY  
Here, you'll need Nicole. Good luck, Sonic.

SONIC  
Later.  
You and me, babe. Show me some pictures.

NICOLE  
No prob, blue streak my man.

SONIC  
Man! That's no help. We are we?

NICOLE  
You are here, my main hedgehog.

SONIC  
Cool! Now show me the main control room.

NICOLE  
You got it.

SCENE 09 (11:36)

SONIC  
Man, this isn't cool. Round guy's messing with me again. Gotta go for it.  
Light up time!  
Whew.  
Do it to it, Nicole!

NICOLE  
Heat's on, Sonic.

SONIC

Yeah. Yeah! Hot stuff.  
Adios, Doomsday machine!  
Whoa. Not cool.

ROBOTNIK

So, hedgehog. How do you like my new diamond glass dome?

SONIC

It stinks, Ro-butt-nik!

ROBOTNIK

Does it indeed? Well, then, perhaps we need some ventilation.

SONIC

Hey!  
Oh, bad news.

ROBOTNIK

I'm afraid you can't escape, hedgehog. Oh, I'm almost sorry that it's over.  
If nothing else you have been a most worthy adversary.  
But! In every game there are winners and there are losers. And as you know in this game...  
Losers.  
Get.  
Roboticized!

SONIC

No!

SCENE 10 (22:44)

ROBOTNIK

Oh my. Yes.  
A Power Ring won't help, hedgehog. Poor boy.  
You see I designed this roboticizer just for you.  
Yes.  
Yes.  
Yes!  
This is unbelievable. This can't be happening!  
Hedgehog!

SONIC

Outta here!

ROBOTNIK

Snively!

SNIVELY

The fool should have listened to me. But nooo-ooo!

SCENE 11 (15:27)

SALLY

Here he comes!

SONIC

Yeah!

TAILS

Sonic! Sonic, did ya do it?

ANTOINE

You are making the big boom-boom?

TAILS

Did ya, Sonic? Did ya?

SONIC

Sorry guys. Didn't happen.

ANTOINE

Oh no! We are doom-ed!

SALLY

You did your best, Sonic.

TAILS

Now what do we do?

SONIC

Don't know, T-2. I'm clueless.

UNCLE CHUCK

One thing's for sure, we can't give up. There must be a way.

SONIC

Don't know about that either. The control room's covered with something called diamond glass.  
Tough stuff.

UNCLE CHUCK

There is still one possibility.

TAILS

What, Uncle Chuck?

UNCLE CHUCK

The Deep Power Stones!

SONIC

No go, Unc. We only have one. Ro-butt-nik's got the other.

UNCLE CHUCK

Not after you take it from him.

SCENE 12 (15:22)

SONIC

Cool. They're all at Doomsday.  
Can we pick up the pace, Nicole?

NICOLE

Just chill, Sonic. You're stressing me.  
Open sesame.

SONIC

Way past, Nicole!  
Nothing!

NICOLE

We keep looking, right?

SONIC

Right.

NICOLE

Sonic. Stop.

SONIC  
Say what?

NICOLE  
Back it up.

SONIC  
Way cool, Nicole.

SALLY  
The pod took a steep drop at first. Maybe three-hundred metres.

UNCLE CHUCK  
That could be a problem.

SONIC  
We got it!

SALLY  
Sonic? We have a plan.

SCENE 13 (16:17)

NICOLE  
Chill here, Sonic. You're right above it.

SONIC  
Huh?

SALLY  
Supply check. Metal eating balloon.

SONIC  
Last one.

SALLY  
Deep Power Stones.

SONIC and SALLY  
Check.

SALLY  
Okay. Now remember once we connect the stones we have-

SONIC

Whoa, Sal. What's this 'we' stuff?

SALLY

Because I am going with you.

SONIC

No way, Sal. You-

SALLY

'We' are in this together, Sonic Hedgehog. How ever it ends.  
Check?

SONIC

Check.

Hold on! We're going down.

SALLY

Okay, now we-  
Gosh, a Pod!

SONIC

No prob!

SALLY

One minute before the next one.

SONIC

Piece of cake.  
Hang on!

SALLY

Sonic! We have no idea how big the explosion will be. What if it destroys more than Dooms-  
day?

SONIC

Like what?

SALLY

Like the whole planet.

SONIC

Not cool. What else can we do?  
Got it! What if we put 'em together the other way?

SALLY

'Incredible power'... Yes! It could work! Nicole, analyses please.

SNIVELY

Sir, Sir! The hedgehog is back!

ROBOTNIK

What? How did they ever... The Power Stones!  
All Swat-bots deploy to the brain room. I want those stones!

NICOLE

The power is identical to that of Power Rings, but greatly amplified.

SALLY

Greatly amplified? How much?

NICOLE

Ten thousand times.

SALLY

Isn't that dangerous?

NICOLE

The possibility for danger does exist, Sally.

SONIC

Hey, this whole place is dangerous.

SALLY

You're right, Sonic. We have to try.

SWAT-BOTS

Hedgehog alert! Hedgehog alert! Turn over the Power Stones.

SONIC

Come and get 'em, Swat-butts!

SWAT-BOTS

Freeze, intruders.

Turn over the Power Stones.

Freeze intruders.

Turn over the Power Stones.

Turn over the Power Stones.

SONIC

Whoa.

SALLY

So this is what Power Rings feel like.

Wow. Let's do it to it!

SWAT-BOTS

Priority Hedgehog. Surrender.

Turn over the Power Stones.

SNIVELY

Sir?

ROBOTNIK

Shut up, Snively!

Hedgehog!

SNIVELY

Bu-bu-but, sir! Wait for-

ROBOTNIK

Only room for one, Snively.

SNIVELY

You don't give me enough credit, Julian!

DIRK

Let's go. Let's go!

ROBOTNIK

I really hate that hedgehog.

I hate him. I Hate him. Hate him!

Hate. Hate. Hate. Hate!

SONIC

Alright! Way past cool! Robotnik's gone!

SALLY

I don't believe this! Sonic, we actually did it!

SALLY

Wow. If a high-five does that, what happens with a kiss?

SONIC

Whoa-whoa whoa whoa-whoa! I don't wanna find out. Out of here!

SONIC

No more Ro-butt-nik. Too bad.

SALLY

What? Too bad?

SALLY

Hey, without a villain what're heroes gonna do?

SALLY

You'll always be my hero, Sonic Hedgehog.

FREEDOM FIGHTERS

(Cheer 'Freedom, freedom...')

SNIVELY

Yes! The Big Round Guy finally let Sonic defeat him.

Well don't celebrate too soon, Hedgehog.

Now, it's my turn. And I'm not alone!
